VISION 2047: PROSPEROUS AND GREAT BHARAT 2.0

APRIL 24 - APRIL 26, 2026

Indian Institute of Technology Roorkee
Roorkee, Uttarakhand

ABOUT THE CONFERENCE

International Conference on Vision@2047: A Prosperous and Great Bharat 2.0” — April 24–26, 2026, jointly organised by IIT Roorkee, Swadeshi Shodh Sansthan (SSS, New Delhi), and a hundred-plus premier institutions across Bharat and the world - is a landmark convergence of civilizational wisdom, frontier science, and transformative statecraft. Anchored in Integral Humanism and the eternal philosophy of Vasudhaiva Kutumbakam, this conference pioneers’ futuristic technologies and an evidence-based civilizational blueprint for Bharat’s emergence as humanity’s most developed, self-reliant, and visionary nation — where every one of Bharat’s vast populations becomes a sovereign, empowered contributor to national and global prosperity.

Eight transformative thematic tracks compose a breathtaking civilizational masterplan:

1. A Young Dynamic Population unleashing the world's greatest demographic energy for nation - building ensuring dignified self-reliance for every citizen and digital sovereignty future generation
2. A Fully Employed Bharat reimagining cooperative, knowledge-driven livelihoods, startups, and entrepreneurship
3. The World's Largest Economy redesigning global financial architecture through indigenous-to-ultramodern manufacturing
4. An Impenetrable Security System forging full-spectrum strategic dominance from earth to air and ocean depths
5. A Leader in Science and Technology achieving quantum, biological, and energy sovereignty for all of humanity
6. An Environmentally Friendly Bharat weaving the water-energy-food nexus into a net-zero civilizational promise for future generation
7. A Strong Advocate of Global Brotherhood projecting the Vishwaguru vision - leading climate justice, digital equity, pharmaceutical access, and peaceful multilateral governance for the Global South and the entire world family
8. A Proponent of High Moral Values building a spiritually grounded, casteless, and harmonious nationhood rooted in Satya, Ahinsa, and universal human welfare.

It is a Call to Action to redesign India's future through the convergence of indigenous wisdom, cutting-edge innovation, and inclusive human flourishing, positioning Vikas ka Bharatiya Pratiman (Bhartiya Model of Development) @2047 as a model for the entire world

VISION

To forge Bharat into the world's most self-reliant, technologically sovereign, and morally luminous nation by its centenary of independence — where every citizen becomes an empowered architect of prosperity. Through a historic Bharat Manthan uniting government, scientists, youth, and all people, we convert civilizational heritage and demographic destiny into humanity's greatest engine of integral human flourishing.

MISSION

Through rigorous research, frontier science, and deliberation across eight transformative thematic tracks, co-create a comprehensive, actionable, and time-bound policy architecture uniting government, institutions, industry, and every Bharatiya that mobilizes the nation's full intellectual, spiritual, entrepreneurial, and democratic energy. The results: a living Viksit Bharat blueprint delivering dynamic demographics, full employment, economic supremacy, scientific leadership, environmental stewardship, global brotherhood, and highest moral values making **self-reliance the birthright of all.**

OBJECTIVES

- ▶ Forging a century-long national strategy (2025–2125) to keep Bharat the world's youngest, most vibrant, and most unstoppable civilisational force.
- ▶ Awakening the decentralised, cooperative, and district-powered economic architecture to consecrate Bharat as the world's largest and most inclusive economy.
- ▶ Architecting India's full-spectrum, future-proof, civilisational defence and strategic security ecosystem — from Earth to Space — for 2047 and beyond.
- ▶ Consecrating indigenous R&D, IPR, and innovation-driven scientific sovereignty to forge one-third of Bharat's GDP and secure the world's foremost knowledge superpower status by 2047.
- ▶ Scripting Bharat's futuristic foreign policy architecture for a just and multipolar world.

Igniting the eternal Shodh Manthan so every Garib, Yuwa, Annadata, and Nari Shakti rises as a sovereign co-creator of a joyful, self-reliant, and eternally vibrant Bharat.
